Dear Paul, 11/23/63

However you took or understood what happened on the Pacifica broadcast last night, my letter to Schlossman explains it.

Schlossman twice told me last night after the panel that he would phone me. I did have need to use the phone and I did wait more than 20 minutes after his second promise before using it./It is almost 4:30 and he has not phoned. I do not expect him to because the very most he can say for himself is that he is yellow. Most men will not defend themselves with that.

Peter and Melanson both disappointed me very much. Neither made a sound. Neither even suggested that I be allowed to finish at least the matter of the security clearances.

Now that this is over I intend to forget about it. But if you know anything at all about Adler and how they selected her, I'd be much interested.

The LA Times was in touch with me for an anniversary story by two men one of whom was their DJ man. So, I expect even ~~XXXXX~~ less from the Times than its past suggest. If you got a copy, I'd appreciate a xerox. I'm sure they'll refer to me as a chicken farmer, thanks to Lane, but I'm more interested in how they mark 20 years and what has come out in that time.

Thanks and best wishes,
